

**LIVE,  
WORK,  
EMPOWER  
SAN JOSE.**

The City of San José, the Capital of Silicon Valley, is one of the nation's best managed cities and one of the top ten cities in which to live, work, and do business. Moreover, San José is the center of cultural, government and economic activity for the region. The employees of the City of San José have embraced the following values: Integrity, Innovation, Excellence, Collaboration, Respect and Celebration.

In 2017, the City established the Community Energy Department to administer San José Clean Energy (SJCE), a new electricity generation supplier. SJCE is creating a more sustainable future for the community and future generations. The mission of the department is to procure clean, cost-effective energy for the benefit of its customers.
