

General Counsel

The Board of Directors for Imperial Irrigation District is seeking a new General Counsel due to a pending retirement. This exciting career position is a rare opportunity to join a public agency as the top legal advisor with specialty areas of the law that are both incredibly interesting and complex – water and power.

The Board strongly prefers candidates who are willing to relocate to the Imperial Valley but may consider an option within IID's energy service area which includes the Southeastern Coachella Valley area with on-site visits to the administration headquarters location, as needed.

Requires a Juris Doctorate and 10 years of legal experience including 5 years of supervision or management of litigation functions in a private or public agency setting. Familiarity with water, labor, energy, and/or natural resource law is desired. Requires current membership in the State Bar of California or ability to re-instate.

Highly competitive salary, excellent benefits including moving/relocation expenses and non-CalPERS retirement.

Apply by submitting a résumé and cover letter to apply@ralphandersen.com by **Wednesday, June 30, 2021**.
