

The City of Redding invites applications for the position of:

ELECTRICIAN (METER SHOP)

\$56.42 per hour

The City of Redding is seeking highly qualified candidates for an Electrician (Meter Shop) position. This position will be engaged in safely and efficiently performing all classes of electrical work involved with the installation, testing, and calibrating of single phase and poly-phase watt hour meters and related equipment and is responsible for processing meter shipments, recording information, tracking inventory and updating customer records. In addition the successful incumbent will assist with customer metering and power quality complaints, vandalism, power diversion and related metering issues.

The City of Redding offers competitive pay, excellent benefits and a great work environment.

IDEAL CANDIDATE

The ideal candidate has extensive experience deploying and troubleshooting commercial and residential AMR and AML meters. A skilled Meter Shop Electrician with the ability to wire primary and secondary instrument transformer-rated meter installations is highly desirable.
